Referral Program

\$50 THANK YOU

Dear Friend,

Thank you for allowing us the opportunity to help improve your most valued asset... your home.

You know, we're proud of the fact that our business has grown so much because our clients are confident referring us to their friends, family, coworkers and neighbors.

Were you referred by someone you know, like and trust? If so, it's because they wanted to be sure that you worked with a reputable company so your home improvement project would run as smoothly as theirs.

We've decided to show our appreciation to our preferred clients (like you), by implementing an exciting new Referral Program!

So what do you need to do? Just review this brochure while it's still fresh in your mind, turn it over and share the names of your friends, neighbors, family members or coworkers who could use our professional services.

For each person you refer who meets with us, we'll give you a \$50 thank you. What could be easier?

IT'S A WIN-WIN-WIN.

Your referrals will receive the best possible service. And we'll get more great clients like you!

Grateful for your business and your trust,

Trent Stone
President
